• MIET-IIC-QUARTER II ACTIVITIES

MIET-IIC conducted four events of their Quarter II calendar in Dec. 2021 - **National Pollution Control Day, Technical Poster Making Competition, National Energy Conservation Day and National Level Awareness Programme on Entrepreneurship (NLAP)**" as part of "Azadi ka Amrit Mahotsav" in collaboration with MSME-DI, Okhla.

National Pollution Control Day was celebrated on 2nd Dec. 21. The aim of the event was to raise awareness among participants about different ways to reduce pollution. The event was organized in presence of Prof. Yashpal Singh, Director MIET and IIC Convener Mr. Dhananjay Singh. Dr. Pradeep Kumar address to the 180 students and faculty members.

Dr. Pradeep Kumar – Speaker on National Pollution Control Day

MIET-IIC in association with **MIET-ISTE Student Chapter** conducted **Technical Poster Making Competition** on 11th Dec. 2021 with an objective to provide visual, tactile and sensory experiences. The whole event was conducted with great zeal and enthusiasm. Students also took active participation in

the **Technical Poster Making** event.

The event was attended by Shri Atul Mangal,

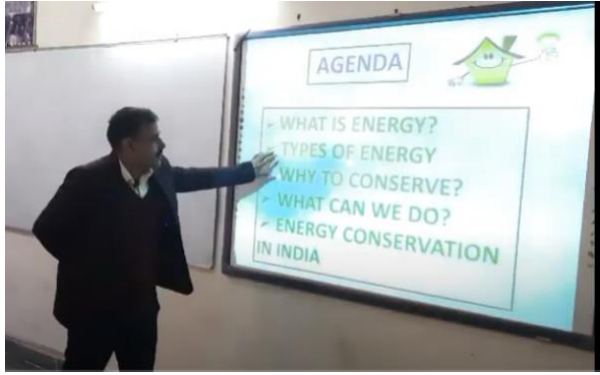

Winners of the Technical Poster Making

Chairman-MGI, Prof. (Dr.) Yashpal Singh, Director-MIET, Prof. Harish Bhatia Dean-Outreach & Student Welfare, Dr. Yogesh Kumar, HOD-AS, Dr. Pradeep Singh, Coordinator-AS. A total of 120 students took part in the competition. Winners of the event were as follows:

1. Mr. Subhranshu (CSE-1st yr.)– 1st prize.
2. Ms. Ishita (CSE-AI-1st yr.)– 2nd prize.
3. Mr. Vaibhav (CSE-1st yr.) – 3rd prize.

Winners of the competition were awarded appreciation letter and certificates.

National Energy Conservation Day was celebrated on 14th Dec. 2021. The event was organized in presence of Prof. Yashpal Singh, Director MIET and IIC Convener Mr. Dhananjay Singh. The event started at 11:00 A.M. with a welcome note to all dignitaries. Session was started by Dr. Ishwar Singh, talk about National Energy Conservation Day and focus on the significance of energy and the need of conserving energy.

Dr. Ishwar Singh – Speaker on National Energy Conservation Day

MIET-IIC in an effort to motivate research and start-up culture at MIET conducted "National Level Awareness Programme on Entrepreneurship (NLAP)" as part of "Azadi ka Amrit Mahotsav" in collaboration with MSME-DI, Okhla. The main focus of this session is to increase the knowledge and skill of existing entrepreneurs and encouraging become one. The session was attended by 180 students and more than 20 faculty members.

National Level Awareness Program (with MSME)

The speaker discussed about various schemes of Government of India and State government for startup and how to take advantages of different schemes.

• **MIET-MEGA CONFERENCE ON CAREER OPPORTUNITIES IN CLOUD AND INDUSTRIAL AUTOMATION IN ASSOCIATION WITH RED HAT ACADEMY**

MIET in association with Red Hat Academy, also conducted "Mega Conference on Career Opportunities in Cloud and Industrial Automation" on 3rd Dec 2021. This conference was conducted to educate students about new career avenues in emerging trends in Computer Science and Engineering.

Mega Conference on Career Opportunities in Cloud and Industrial Automation

The Speakers of this event were **Mr. Ramesh Padmanabhan**, - Director Red Hat, **Mr. Deepak Mishra**, CEO Prodevans, **Mr. Amel Mathai** - Technical Delivery Manager, GLS India. The session was attended by 180 students and more than 25 faculty members.

- **MIET- EXPERT LECTURE BY ISKON GR. NOIDA ON DISCOVER THE GAME OF LIFE**

MIET also focused on mental health. For this, MIET conducted an event “**DISCOVER THE GAME OF LIFE**” focusing on management of stress in day to day life. The session was carried out by **Acharya Rasraj Guar, Iskcon, Greater Noida** on 21st Dec 2021. The session involved games, simulating a person’s travels through his or her life, from college to retirement, with jobs, marriage, and possible children along the way. The session was attended by 100 students and more than 25 faculty members.

Session by Acharya Rasraj Guar, Iskcon, Greater Noida

Students donating blood

- **MIET-AWARENESS DRIVE ON ORGAN DONATION IN ASSOCIATION WITH AIIMS**

In the same order of contribution, MIET conducted an awareness program on **Organ Donation** (Eye Donation) on 15th Dec. 2021. The event aimed to spread awareness among people and to recognize the selfless efforts made towards mankind, and re-establish our belief. The session was attended by all B.Tech. students and more than 21 faculty members.

Eye Donation

- **MIET-BLOOD DONATION CAMP IN ASSOCIATION WITH ROTARY CLUB**

In continuation to its contribution to society, MIET in collaboration with **Rotary Club, Noida** conducted **Blood Donation Camp** in its premises on 15th Dec 2021. The whole event was conducted with great zeal and enthusiasm. Students and Faculty took active participation in the Blood Donation Camp and donated 150 unit’s blood for needy ones.

- **MIET-VOTER ID AWARENESS CAMP IN ASSOCIATION WITH DISTRICT ELECTION OFFICE, G.B. NAGAR**

A drive was held at **MIET campus** to spread awareness regarding **Voter ID on 23rd Dec 2021**. The main objective of this program is to provide voter education, spreading voter awareness and promoting voter literacy in all age groups of the Indian citizens. Near about 300 students participated enthusiastically and faculty members.

Voter ID camp

• **TRIBUTE TO CHIEF OF DEFENCE, GEN. BIPIN RAWAT AND HIS TEAM**

On 15th Dec 2021, the nation was shocked when it got to know that it had lost its beloved **Chief of Defence, Gen. Bipin Rawat and his team** in an air crash. The **MIET family** along with 32 Girls' Battalion N.C.C. cadets paid **homage** to the great figure and all those whom we had lost in the doomed air crash. Gen Bipin Rawat cared for his men and was a brilliant and professional soldier. His vision for the integrated central command is just what India needed at this time of insecurity around the world.

Tribute of Chief of Defence, Gen. Bipin Rawat and his team

A highly decorated general who will really be missed. With a heavy heart we wrote this tribute and pay our respects to all who died in this horrific accident. May God give the families peace and may they realize that every Indian, every patriotic is with them in this time of grief.

• **MIET- ANNUAL SPORTS CELEBRATION**

MIET has been organizing **Sports Celebration** on last day of every year. In continuation of the same, MIET held **Annual Sports Day Celebration** on 31st Dec. 2021 for all teaching and non-teaching staff, from all the departments.

Annual Sports Day Celebration

Following activities were conducted.

- Cricket
- Tug of War
- Lemon Race
- 3-legged race
- Musical Chair

R&D ACTIVITIES

MIET promotes culture of innovation and research in its campus. Faculties and students of MIET actively participate in research paper publication in reputed journals on diversity of topics. Faculties are also encouraged to continuously improve their teaching methodology and enhance their knowledge with latest trends through FDPs.

RESEARCH PUBLICATIONS

1. Dr. Girish Dutt Gautam, Associate Professor, Department of Applied science published a paper on “A Review on the recent application & Genetic Algorithm during Antenna design”(2021) Materials Today Proceedings, ELSEVIER 09936.
2. Dr. Grish Dutt Gautam, Associate Professor, Department of Applied science has published a paper on “An Agile System to Enhance Productivity through a Modified Value Stream Mapping Approach in Industry 4.0: A Novel Approach.”13th Dec.2021
3. Ms. Archana Das ,Assistant Professor, Department of Computers Science and Engineering has published a paper on “Role of Big Data, data science ,Artificial Intelligence in Entrepreneurship ” in International Conference on Advanced in Management Practices (ICAMP 2021,) ELSEVIER,28th Dec 2021.
4. Ms. Mala Yadav ,Assistant Professor, Department of Applied science has published a paper on “A Review on the recent application & Genetic Algorithm during Antenna design”(2021) Materials Today Proceedings, ELSEVIER 09936.
5. Mr. Dhananjay Singh, Assistant Professor, Department of Applied science has published a paper on “A Review on the recent application & Genetic Algorithm during Antenna design”(2021) Materials Today Proceedings, ELSEVIER 09936.
6. Mr. Ankit Kumar, Assistant Professor, Department of Applied science has participated in the 3 days Professional Development Programme on “Industry 4.0: Smart Factories With Lean Manufacturing” held from 25th June 2020 to 27th June 2020 organised by Sharda University.

FDPs/WORKSHOP

1. Prof. (Dr.) Yashpal Singh, Director, Department of Computer Science and

Engineering has participated in AICTE Training and Learning (ATAL) Academy Advanced FDP on “DATA SCIENCE” from 27th Dec 2021 to 31st Dec 2021.

2. Ms. Sonia Rani, Assistant Professor, Department of Computer Science and Engineering has participated in Refresher Program on “ADVANCES IN DATA ANALYTICS AND MACHINE LEARNING: PRINCIPLES, TECHNIQUES, CHALLENGES AND ITS APPLICATIONS” sponsored by AICTE - ISTE from 9th Dec 2021 to 15th Dec 2021.
3. Ms.Sonia Rani, Assistant Professor, Department of Computer Science and Engineering has participated in AICTE-ISTE REFRESHER PROGRAM ON “ROLE OF COMPUTATIONAL INTELLIGENCE” from 20th Dec 2021 to 25th Dec 2021.
4. Ms. Archana Das, Assistant Professor, Department of Computer Science and Engineering has participated in Refresher Program on “ADVANCES IN DATA ANALYTICS AND MACHINE LEARNING: PRINCIPLES, TECHNIQUES, CHALLENGES AND ITS APPLICATIONS” sponsored by AICTE - ISTE from 9th Dec 2021 to 15th Dec 2021.
5. Mr. Anil Malhotra, Assistant Professor, Department of Computer Science and

Engineering has participated in AICTE-ISTE REFRESHER PROGRAM ON “ROLE OF COMPUTATIONAL INTELLIGENCE” from 20th Dec 2021 to 25th Dec 2021.

6. Mr. Ankit Kumar, Assistant Professor, Department of Applied science has participated in Phase II internship program on the domain” DEEP LEARNING USING PyTorch” From 21st Nov. to 5th Dec.

PLACEMENT DRIVES

Department of Training and Placement successfully conducted Placement Drive with Hitachi Ltd. and Kube Design & Multimedia for the students of B.Tech. ECE and CSE. Heartiest congratulations to the following students for getting placed as Software Developer .The placements in the months of Dec. are:

S. No	Name of Students	Bran ch	Company
1.	Aayush Saxena	ECE	IT Infrastructure, Hitachi
2.	Divyanshi Sharma	CSE	Kube, Front End Developer
