• MIET-IIC-QUARTER II ACTIVITIES

MIET-IIC conducted a activity of IIC calendar in month of February, 2022. MIEF vision is to develop an innovative incubation centre that fosters dynamic needs of the Entrepreneurs, Students and Women-led Startups not only in UP

and NCR but across India through its "**Virtual Incubation Programs**". MIEF focuses on supporting Startups in the domains like the United Nations program under SDG's, Education, Agriculture, Healthcare, Information Technology, Manufacturing & Engineering (IoT, AI, ML) and other areas of Social and National Interest. MIEF possess more than 10,000 sq. ft. of ready-to-use, built-up space with a seating capacity for more than 100 individuals. It includes the Fab Lab & Startup Office Space, Biotech & Innovation Labs, AI & ML Facility with Co-working Spaces. Also, the space homes office cubicles for Startups, various Meeting and Conference Rooms along with an Auditorium, Cafeteria, dedicated Parking & other facilities. Startups can leverage facilities such as laboratories, testing centre, highly experienced and knowledgeable faculty available through the R&D centre. Under this program, we support our incubated startups with facilities like initial brainstorming, furnishing ideas, consultancy, mentorship, networking, connecting to other subject matter experts, leading them to market access, in case if they get eligible, also connect/support with seed funding .
