📍 Greater Noida

Hard Skill

- Develop and deliver curriculum
- Provided students with necessary information.
- Educate students on network administration, server administration
- Designed and administered examinations
- Develop syllabus and curriculum

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

Education Background

- Noida International University
Phd in Steganography as a tool of data hiding in cloud computing
Completed in 2021
- Amity University (Noida)
Me.tech in Electronics & Communication
Completed in 2013
- SCDL
Master of Business Administration (MBA) in Information & Technology
Completed in 2011
- Punjab technical University.
Be.tech in Electronics & communication
Completed in 2007

About

Dr Ridhima Ahluwalia is an assistant professor in the applied science department of Mangalmay College of Engineering & Technology. She completed her PhD in Steganography to provide a data-hiding layer in cloud computing. Her research interests are in computer networking and network science.

Dr Ridhima is a proactive lecturer and researcher with over 15+ years of experience teaching various computer networks and technology subjects at the undergraduate and postgraduate levels.

Recent Research Work

- Body language & visual communication :KINESICS IN BUSINESS NEGOTIATIONS, in Mukta Shabd Journal, Volume XII, Issue v, May 2023
- "Steganography: double encrypted image deployed in cloud": publish in IEEE conference, Scopus index journal in 2020.
- "Steganography: Tool Of Secret Messaging": Ridhima, Dr. Rajendra Jaitley, Prashant Mavi, IJSRE Journal, 2019
- "A Novel Steganography Approach Using DCT & Image Complexity Analysis with Enhanced Security": IJESR, 2018.
- "An approach to develop a methodology for functional requirements to secure an electronic voting system" at IJARSE Journal, 2018.
