| Brief Report | Mangalmay Institute of Engineering and Technology, Greater Noida organized a Seminar on "An introduction to Research methods" for the faculty members and the students of MIET on 24-11-2020 at 10:00 am. Inauguration session was started by auspicious hymns of Sarawati Vandana and lighting of lamp along with all the dignitaries. Dr. Yashpal Singh (Director, MIET) and HoD facilitated today's guest of honour Dr. Jyotsana Pandit (HoD, AS, MIET). Director shared their thoughts on need of research methodology in today's world. The session started with Dr. Jyotsana Pandit giving thought provoking session which made students interested. She stated that research methods are specific procedures for collecting and analyzing data. Developing research methods is an integral part of research design. While planning methods, two decisions come into play, first is the collection of data and second is the analysis. Apart from the above there was exhaustive discussion on descriptive v/s experimental data, research methods for collecting data, methods for analyzing data, qualitative analysis methods. Honorable Chairman sir and Vice chairman sir thanked all the participants for actively involving in the seminar. The seminar then came to an end and needless to say, it had been a grand success. |
| Outcome | At the end of the program, everyone gained an in-depth understanding of research methods. |
