Report	
Academic Year	2018-2019
Name of Activity	Seminar on "Entrepreneurship Development"
Date of Activity	15 th April 2019
Organized by	MIET
Resource Person	Mr. Dhananjay Singh, Assistant Professor, MIET
Objective	<ul style="list-style-type: none">• Develop and strengthen entrepreneurial traits• Employment Generation• Boosting industrial development• Developing urbanization
Brief Report	<p>Mangalmay Institute of Engineering and Technology, Greater Noida organized a seminar on "Entrepreneurship Development" for the faculty members and the students of MIET on 15-04-2019 at 2:00 pm. The program was started at 2:00 pm on 15th April, 2019 with the welcome of our speaker Mr. Dhananjay Singh, Assistant Professor, MIET by Director, MIET & by HoD, Computer Science & Engineering. Mr. Singh stated that Entrepreneurship is a process of identifying and starting a business venture, sourcing and organizing the required resources and taking both the risks and rewards associated with the venture. He explained what "entrepreneur and entrepreneurship" actually means. Further he discussed in detail about next gen entrepreneurship and how to generate an idea. Also discussed on "Personality Development" and "Motivation and Proactive Behaviors for Achievers" with list of various national and international achievers. He informed the students about the facilities created at MIET-CRD for entrepreneurship skills development of aspiring candidates. CRD provides guidance and help to identify ideas, developing and implementation of plans for starting their own enterprise. Honorable Chairman sir and Vice chairman sir thanked all the participants for actively involving in the seminar. The seminar then came to an end and needless to say, it had been a grand success.</p>
Outcome	The workshop will train the participants to sell themselves and their ideas. The participants can master oral and visual presentation skills and establish a

Report	
Academic Year	2018-2019
Name of Activity	Seminar on "Intellectual Property Rights in the Digital World"
Date of Activity	19 th Feb 2019
Organized by	MIET
Resource Person	Dr. Gaurav Singh, Associate Professor, MIET
Objective	<ul style="list-style-type: none">To acquaint the participants with basics of intellectual property rights and patent filingTo compare and contrast the different forms of intellectual property protection in terms of their key differences and similarities.To provide an overview of the statutory, procedural, and case law underlining these processes and their interplay with litigation.
Brief Report	<p>Mangalmay Institute of Engineering and Technology, Greater Noida organized a Seminar on "Intellectual Property Rights in the Digital World" for the faculty members and the students of MIET on 19-02-2019 at 2:30 pm. The program was started at 2:30 am on 19th Feb, 2019 with the welcome of our speaker Dr. Gaurav Singh, Associate Professor, MIET by Director, MIET & by HoD, Computer Science & Engineering. He stated that the Colleges and universities are both substantial creators and consumers of intellectual property and make extensive use of the work of others. Institutions need to be able to share and protect their own intellectual outputs as well as maximize the value of their own assets. Honorable Chairman sir and Vice chairman sir thanked all the participants for actively involving in the seminar. The seminar then came to an end and needless to say, it had been a grand success.</p>
Outcome	The Seminar mainly focused on educating and inspiring youth and academic institutions for generation, protection and economic use of Intellectual Property. It was attended by student fraternity, and academicians.

Academic Year	2018-2019
Name of Activity	Seminar on "Data Visualization & Analysis"
Date of Activity	23 rd January 2019
Organized by	MIET
Resource Person	Dr. Ishwar Singh, Associate Professor, MIET
Objective	<ul style="list-style-type: none">Summarize concepts of data quality. Understand and describe the impact of data on actual work and projects.Understand the categories of data quality principles. Given a principle of data quality, provide an example that illustrates the principle. Understand what is involved in a review of data.Concepts, roles and responsibilities, committees, tools
Brief Report	<p>Mangalmay Institute of Engineering and Technology, Greater Noida organized a seminar on "Data Visualization & Analysis" for the faculty members and the students of MIET on 23-01-2019 at 11:00 am. The program was started at 11:00 am on 23rd January, 2019 with the welcome of our speaker Dr. Ishwar Singh, Associate Professor, MIET by Director, MIET & by HoD, Computer Science & Engineering. This seminar provides exposure to the students on the importance of Data Visualization tools and technologies to analyze massive amount of information and for making data-driven decisions. Dr. Ishwar Singh stated that Analysis is done using systematic methods to look for trends, groupings, or other relationships between different types of data. Data visualization is the process of putting data into a chart, graph, or other visual format that helps inform analysis and interpretation. The seminar enabled participants to understand how business can take significant leverage of their information.</p> <p>Honorable Chairman sir and Vice chairman sir thanked all the participants for actively involving in the seminar. The seminar then came to an end and needless to say, it had been a grand success.</p>
Outcome	<ul style="list-style-type: none">Design effective data visualizations in order to provide new insights into a research question or communicate information to the viewer.Find and select appropriate data that can be used in order to create a visualization that answers a particular research question.

Report	
Academic Year	2018-2019
Name of Activity	Workshop on "Plagiarism"
Date of Activity	15 th November 2018
Organized by	MIET
Resource Person	Dr. Suneeta Chaudhary, Associate Professor, MIET
Objective	<ul style="list-style-type: none">• To provide the library a chance to help students who need assistance with citation• To give students the opportunity to learn how to cite properly before being punished for making mistakes• To allow faculty the ability to reduce plagiarism in their students' work without using valuable class-time
Brief Report	Mangalmay Institute of Engineering and Technology, Greater Noida organized a workshop on "Plagiarism" for the faculty members and the students of MIET on 15-11-2018 at 10:30 am. The program was started at 10:30 am on 15th November, 2018 with the welcome of our speaker Dr. Suneeta Chaudhary, Associate Professor, MIET by Director, MIET & by HoD, Computer Science & Engineering. Dr. Suneeta Chaudhary cleared what is meant by "Plagiarism" and how to prevent from plagiarism by different techniques like citation, paraphrasing etc. She stated that Plagiarism is a serious offense, but many students struggle to avoid it, whether because they simply don't understand how to properly cite sources, are in a panic about turning in an assignment, or have learned from others that plagiarism can be a way to deal with information overload. Honorable Chairman sir and Vice chairman sir thanked all the participants for actively involving in the workshop. The workshop then came to an end and needless to say, it had been a grand success.
Outcome	The workshop helped the participants the effects of plagiarism. This session helped the students and faculties in conducting good research and implementing original ideas for quality research work. It also motivated the students and faculty to pursue quality research in their academic pursuit.

Organized by	MIET
Resource Person	Dr. Komal Kumar Gaur, Professor, MIET
Objective	<ul style="list-style-type: none">To create awareness about the need and importance of Intellectual Property Rights (IPR) among the faculty and students through periodic workshops.To facilitate filing of applications for patents and other IPR.To recommend financial assistance for filing IPR, by the faculty and students of the Institute as per the norms of the institute.
Brief Report	<p>Mangalmay Institute of Engineering and Technology, Greater Noida organized a Workshop on "Intellectual Property Rights" for the faculty members and the students of MIET on 22-08-2018 at 10:30 am. The program was started at 10:30 am on 22nd August, 2018 with the welcome of our speaker Dr. Komal Kumar Gaur, Professor, MIET by Director, MIET & by HoD, Computer Science & Engineering. Dr. Komal Kumar Gaur shared his views on Intellectual Property Rights. He taught about the Intellectual Property Rights & their principles. Also the students were given enough information about how to use this knowledge to proceed forward in a startup company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system.</p> <p>Honorable Chairman sir and Vice chairman sir thanked all the participants for actively involving in the workshop. The workshop then came to an end and needless to say, it had been a grand success.</p>
Outcome	The participants of the workshop will be able to understand the procedures to
