

Activity Report	
Academic Year	2022 - 2023
Name of Activity	Expert talk on "Legal Structures and Ethical steps in Establishing Startups"
Date of Activity	02/03/2023
Organized by	Mangalmay Institute of Engineering and Technology Greater Noida
Resource Person	Dr. Ajay Pratap Singh, Professor, Department of Management, MIMT Greater Noida
Objective	<ul style="list-style-type: none"> ❖ The objectives of to grow the new venture and make it a sustainable, profitable business. Every venture-backed startup needs to have an eye on long-term growth, but the most successful startups have a plan for how they will achieve that growth. ❖ To identify and assess the feasibility of a new venture ❖ Earning profits on the capital employed is the main objective of every business enterprise. Every business aims to earn a reasonable profit in order to survive and grow in this competing world.
Brief Report	<p>Mangalmay Institute of Engineering and technology Greater Noida has Organized the Expert talk on Legal Structures and Ethical steps in Establishing Startups on March 2, 2023. Our chief Guest Dr. Ajay Pratap Singh, Professor, Department of Management, MIMT Greater Noida share their views and experience with our faculty members and students. He highlighted on how the generation of new ideas is possible through the organization. India is fast emerging as a start-up nation. The Indian technology landscape has seen a tremendous growth towards creation of innovative startups and has emerged as the 3rd fastest growing hub for technology startups in the country, The report analyses the current scenario and emerging trends across the various dimensions that define the Indian start-up ecosystem, and gauge India's position as a global start-up hub that is becoming attractive for investors, start-ups, & corporate. The report also details the current landscape, its growth factors, top trends, funding scenario, and key policies. Also, provides analysis on key industry verticals, incubators/accelerators, and the talent scenario. Minds of the younger generation have been opened up in the process of India's march into the liberalized era. Success stories of Indian IT, biotech and other high-tech companies and the exceptional performance of Indian entrepreneurs have begun to fire the imagination of younger minds and motivated the youth towards entrepreneurship and start-up venturing. Today innovation is a key behind technological development. Campuses are the right places to breed innovation. The scope given in present university system of</p>

technical education is not focused on Innovation and entrepreneurship. It aims to develop and support new and future entrepreneurs thereby striving towards building the capacity of a technology entrepreneur, identifying demand opportunity, developing a marketable product, patenting and licensing, building the right team, raising money and creating value for customer and ventures. The college aims to set up an incubation center that gives a forum for students to translate an idea into a fundable technology business. The cell also has an objective of equipping the faculty who are interested in and passionate about implementing programs by providing various trainings More than 150 participants from all over attended this expert talk.

Outcome

- A comprehensive view of business and entrepreneurial ethics requires an understanding of the difference between shareholders, a small group who are the owners (or stockholders), and stakeholders, a large group that includes all those people and organizations with a vested interest in the business.
- Clarity about the business idea. Market potential for the product or service. Skills in preparing business plan. Conducting project feasibility study.

Report	
Academic Year	2022 - 2023
Name of Activity	IPR Awareness Programme under national intellectual property awareness mission (NIPAM)
Date of Activity	24/01/2023
Organized by	Mangalmay Institute of Engineering and Technology ,Greater Noida
Resource Person	Dr. Jitendra Sharma (Asst. controller of patent & design) and Ms. Varsha (Examiner of patents & design)
Objective	<ul style="list-style-type: none"> ✓ In order to take forward the National IPR Policy and to enhance creativity, innovation, competitiveness and economic growth in India, it is imperative to harness IP. With phenomenal growth of the Indian Economy it is vital that IPRs are generated in India and then legally protected and exploited. Inadequate knowledge about the rights of individuals to protect their ideas and innovations and low awareness about the procedures involved in obtaining an IPR has hindered India's growth in Intellectual Property. With India's potential and its importance in the global arena, it's time we rise and become a leader in innovation and Intellectual Property ✓ What is patentable and what is not patentable? ✓ What are the different kinds of patents? ✓ How to work for patents. ✓ How to file patents? ✓ How to get copy right? ✓ How to publish patents etc. ✓ Introduces regarding the patent search ✓ Describe the patent life cycle ✓ Differentiate between Local and Global patent filing. ✓ Patent Claims and Infringement ✓ Patent Classification ✓ Patent Citation ✓ Patent value indicator ✓ How to convert a published patent in to a grant patent.
Brief Report	Department of Engineering and Technology organized a one day Workshop Program on "IPR Awareness Programme under national intellectual property awareness mission" for the Faculty members and students of MIET on 24-01-2023 at 10:30Am - 3:00 Pm. For the same, we have invited Dr. Jitendra Sharma (Asst. controller of

	<p>patient & design) and Ms. Varsha (Examiner of patents & design) who is an expert in Intellectual Property Right.</p> <p>Intellectual property rights (IPR) refers the legal rights given to the inventor or creator to protect his/her invention or creation for a certain period of time. IPR protection allows user to prevent unauthorized use of his/her intellectual property and works. Intellectual Property Rights (IPR) are automatically assigned to the creator of an original work. This also applies to the creation of research data and plays a role when creating, sharing and re-using data. Intellectual Property Rights awareness is vital to Generation of IPRs and then Commercialization of IPRs which is why IPR Awareness; Outreach and Promotion is the first and foremost objective of the National IPR Policy. There is a need to create IP awareness amongst all sections of societies as IP is creations of the mind. The Policy envisions a India where students in schools and colleges and universities, industry clusters and citizens across India in Tier 1, Tier 2 Tier 3 cities as well as rural areas are educated and made aware about their intellectual property Rights. In order to enforcement of IP rights of individuals/companies, it is important the the countries enforcement agencies and Judiciary are sensitized and up to date with the latest IP laws.</p>
Outcome	<p>In the evolving scenario of the world today, with increasing awareness of the 'knowledge asset', an Intellectual Property Rights (IPR) Policy is needed not only to preserve the interest of MIET faculty/students /project staff/ supporting staff/ visitors aware of 'knowledge asset and its impact on the society'. Faculties are now aware about IPR and their lots of doubts were cleared during the session.</p>

Report	
Academic Year	2022 - 2023
Name of Activity	Two Days Python Programing Workshop
Date of Activity	19/12/2022 and 20/12/2022
Organized by	Computer Sciences&Engineering Department
Resource Person	Capsule Lab (Online Mode)
Objective	<ul style="list-style-type: none"> • To understand why Python is a useful scripting language for developers. • To learn how to design and program Python applications. • To learn how to use lists, tuples, and dictionaries in Python programs. • To learn how to identify Python object types.
Brief Report	<p>MIET has conducted two days Python programing workshop for B.Tech 2nd year Students by an experts from CapsuleLabs for which MIET has already signed MOU.This workshop was conducted in online mode. A total of 84 students participated in this workshop.</p> <p>Python has successfully completed its three decades and is giving tough competition to other programming languages till date. Therefore, it is very clear that Python is going to be very important for software developers even in the upcoming years. Python is used in various domains when it comes to the tech industry. Students enhance more knowledge about Python and to score better marks in Python exam.</p>
Outcome	Students will learn computational thinking skills, develop creative and problem solving skills and acquire a strong grasp of how to apply code to real life. This course sets students up for success, to eventually master the language and to become creative citizens of the digital age.

Report	
Academic Year	2022-2023
Name of Activity	How Intellectual property impacts life
Date of Activity	17 th November 2022
Organized by	MIET
Resource Person	Dr. Varun Kumar, Associate Professor, MIMT
Objective	To encourage the creativity of the human mind for the benefit of all. To ensure that the benefits arising from exploiting a creation benefit the creator.
Brief Report	Mangalmay Institute of Engineering and Technology, Greater Noida organized one day Webinar on "How intellectual property impacts life" for the Faculty members and the students of MIET on 17-11-2022 at 10:00am. The program was started at 10:00 am on 17th November, 22 with the welcome of our speaker Dr. Varun Kumar, Associate Professor, MIMT by Dr. Harish Taluja (Director, MIET) & by Dr. Sanjay Pachauri (HoD, Computer Science & Engineering). Dr. Varun Kumar shared his views on IPR. He stated that networking is very much necessary in order to facilitate the process of promoting Intellectual Property and this has to be ensured by organizations like FICCI. Speaking on the history of patenting in India, Dr. Varun Kumar mentioned that in the beginning, around 3000 – 3500 applications used to be filed but now the no. of applications filed have increased to around 43,600. He also spoke on his practical experience of filing patent application. Honorable Chairman sir, Vice chairman sir and Executive director mam, thanked all the participants for actively involving in the webinar. The workshop then came to an end and needless to say, it had been a grand success.
Outcome	Everyone is aware that these are monopoly rights that grant their holders the temporary privilege for the exclusive exploitation of the income rights from cultural expressions and inventions.

Report	
Academic Year	2022 - 2023
Name of Activity	Two Days Workshop On Cyber Security
Date of Activity	16/11/2022 and 17/12/2022
Organized by	Department of Computer Science & Engineering, MIET Greater Noida
Resource Person	Mr. Rahul Mishra, Cyber Security Advisor, U.P. Police
Objective	<ul style="list-style-type: none"> • It helps Students to understand proper cyber hygiene, the security risks associated with their actions and to identify cyber attacks they may encounter via email and the web. • To focus attention on security, creating sensitivity to the threats and vulnerabilities of computer systems and recognition of the need to protect data, information and systems.
Brief Report	<p>Mangalmay Institute of Engineering and Technology, Greater Noida organized an awareness drive on Cyber Security for B.Tech & BCA students on 16-17th Nov, 2022. The program was started at 10:00 am on 16th Nov. 22 with the welcome of our speaker Mr. Rahul Mishra, Cyber Security Advisor, U.P. Police with Tulsi Sapling by Prof. Harish Bhatia (Dean of Student welfare) & Dr. Sanjay Pachauri (HoD, Computer Science & Engineering). Mr. Rahul Mishra shared his experience on Cyber crimes that he handled. He also told us how to save ourselves from different types of cyber attacks.</p> <p>The Day 2 was started with the session of different types of hackings. This session aimed to exchange experiences and expertise on cyber security awareness by discussing different awareness campaign projects, materials and toolkits. The speaker representatives Mr. Rahul Mishra, discussed challenges, best practices and lessons learned from the perspective of their respective region and/or organization, including those specifically related to current COVID-19 developments. He also discussed about windows hacking, website hacking and different preventions measures that helps us to protect from cyber attacks. The session ended with Q&A's and a brief discussion among speaker and participants. The whole event was successfully coordinated and everybody appreciated the efforts of Department of B.Tech</p>
Outcome	<ul style="list-style-type: none"> • Students are able to analyze and resolve security issues in networks and computer systems to secure an IT infrastructure. • Students are able to analyze the nature of attacks through

Report	
Academic Year	2022 - 2023
Name of Activity	NATIONAL EDUCATION DAY
Date of Activity	11/11/22
Organized by	IIC
Resource Person	Dr. Harish K. Taluja (Keynote Speaker) DR. MOHIT ARYA (Moderator)
Objective	<ul style="list-style-type: none"> ❖ To develop an interest in research presentation in form of article writing, beamer presentation and book writing. ❖ To enhance critical thinking and problem solving. ❖ To express innovative ideas and make them performance oriented.
Brief Report	<p>MIET, B.Tech Department, IIC, conducted a workshop on research based environment LaTeX. IIC, celebrated International Education Day, by offering a variety of Open Educational Resources including new program languages. The aim has always been that of making high-quality learning courses for students and empowering their instruction commands to focus on new technologies advancements and adding to their personalities. Dr. Mohit Arya shared his valuable views.</p> <p>Inauguration – The event was head by Keynote Speaker Honorable Director Sir, Dr. Harish K. Taluja, MIET. He motivates the audience to have new learnings to reskill themselves.</p>
Outcome	Audience gathered designing typeset mathematics skills, Handling visual comments such as fonts, spacing and link breaks and structured files. They also learned how to prepare official documents. The whole event was a great success and faculties and more than 100 students occupy lot of information about the session.

Report	
Academic Year	2022 - 2023
Name of Activity	Role of IPR in Academia
Date of Activity	14/10/2022
Organized by	MIET
Resource Person	Mr.V.R.Srinivasan
Objective	<ul style="list-style-type: none"> ✓ What is patentable and what is not patentable? ✓ What are the different kinds of patents? ✓ How to work for patents. ✓ How to file patents? ✓ How to get copy right? ✓ How to publish patents etc. ✓ Introduces regarding the patent search ✓ Patent act 1970 ✓ Describe the patent life cycle ✓ Differentiate between Local and Global patent filing. ✓ Patent Claims and Infringement ✓ Patent Classification ✓ Patent Citation ✓ Patent Families ✓ Patent landscape analysis ✓ Patent value indicator ✓ How to convert a published patent in to a grant patent. ✓ And in last prepare for patent agent examination
Brief Report	<p>Department of Engineering and Technology organized a Faculty Development Program on "Role of IPR in Academia" for the Faculty members of MIET and MIMTon 14-10-2022 at 3:00Pm – 4:45Pm. For the same, we have invited IP Attorneys Sh. V.R.Srinivasan, Founder and Head IPR of 4A IP Solution who is an expert in Intellectual Property Right.</p> <p>Intellectual property rights (IPR) refers the legal rights given to the inventor or creator to protect his/her invention or creation for a certain period of time. IPR protection allows user to prevent unauthorized use of his/her intellectual property and works. Intellectual Property Rights (IPR) are automatically assigned to the creator of an original work. This also applies to the creation of research data and plays a role when creating, sharing and re-using data.</p>
Outcome	In the evolving scenario of the world today, with increasing awareness of the 'knowledge asset', an Intellectual Property Rights (IPR) Policy is needed not only to

Activity Report	
Academic Year	2022 - 2023
Name of Activity	Session on Problem Solving and Ideation Workshop Global Priority: Mental Health for All
Date of Activity	10/10/2022
Organized by	MIET Greater Noida
Resource Person	Dr. Naveen Herold Simon and Dr. Harish Kumar
Objective	Mental health awareness is the ongoing effort to reduce the stigma around mental illness and mental health conditions by sharing our personal experiences. Often, because of misconceptions about mental health and mental fitness, people often suffer in silence and their conditions go untreated. The Webinar was conducted to make aware about fitness of Mind by different activities.
Brief Report	Good mental health is essential for all students to achieve their academic success. Many people experience mental health difficulties. It is quite common that students experience psychological distress or mental health difficulties, such as acting inappropriately or in disruptive ways; exhibiting aggression and disrespect and so on. For interstate students, there are additional sources of stress, both acute and chronic. Such as dealing with the disorientation of cultural shock, the challenges of adapting to a new environment and the demands of language barriers. Mental health difficulties can significantly reduce a student's capacity to meet their course requirements; it can also highly impact their personal lives throughout all aspects. various activities available to help promote mental wellbeing and facilitate a healthy student's life cycle, such as Stress-Free Week before the exams each semester, Mental health

	campaigns and workshops.
Outcome	<p>Many students and faculties had joined the webinar to understand why good mental health is necessary and how to live stress free life. In Discussion we found that students are more curious to know how to study without taking stress and they want more webinar on mental health discussion. Many Faculties and Students were involved in discussion during the session.</p>
