Report	
Academic Year	2018-2019
Name of Activity	Workshop on "Research Methodology"
Date of Activity	11 th September 2018
Organized by	MIET
Resource Person	Dr. Shriniwas Singh, Professor, MIET
Objective	<ul style="list-style-type: none">• To enable the participants, define research problem, developing an approach to research problem and selection of suitable research design.• To impart capabilities for formulation and testing of hypothesis based on the nature of research.• To comprehend appropriateness of statistical software packages for analyzing research data.• To enable the participants to understand report writing and writing research proposals.• To make aware the participants about latest trends in discipline specific research.
Brief Report	<p>Mangalmay Institute of Engineering and Technology, Greater Noida organized a Workshop on "Research Methodology" for the faculty members and the students of MIET on 11-09-2018 at 11:00 am. The program was started at 11:00 am on 11th September, 2018 with the welcome of our speaker Dr. Shriniwas Singh, Professor, MIET by Director, MIET & by HoD, Computer Science & Engineering. Dr. Shriniwas shared his views on Research Methodology. He taught that Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives.</p> <p>Honorable Chairman sir and Vice chairman sir thanked all the participants for actively involving in the workshop. The workshop then came to an end and needless to say, it had been a grand success.</p>
Outcome	<p>The workshop helped the participants to demonstrate the ability to choose methods appropriate to research aims and objectives. Students were made to understand the limitations of particular research methods and Develop skills in qualitative and quantitative data analysis and presentation.</p>
