VICE CHAIRMAN'S MESSAGE

Dear Guardians/Students,

At the outset, I take immense pleasure in welcoming you to NAAC Accredited Mangalmay Group of Institutions which aims at transforming education to meet the aspirations of its stakeholders especially the students. Mangalmay Institutions are designed to provide talented and ambitious students with the knowledge and skills to achieve positions of leadership within their chosen profession necessary for their career progression.

The rapid changes and increased complexity of today's world present new dimensions and challenges in the existing education system. Mangalmay Group of Institutions within its ambit have analyzed various parameters based on which the students are employment and placement ready and are easily absorbed in the corporate sector according to their preferences. We at Mangalmay provide various professional certification long term and short term certificate programs in all streams of Engineering, Management, Teacher Education, BBA, BCA etc.to ensure excellence in our teaching and learning process all the time.

The institute has excellent facilities for Curricular, Co-Curricular and Extra-Curricular activities coupled with an unparalleled commitment to a friendly learning environment. The institute has well experienced faculty and an extremely rich library to the benefit of the students. I take this opportunity to wish you success in all your endeavors.

Er. Aayush Mangal,
(Vice Chairman)
Mangalmay Group of Institution

build your future

MANGALMAY

WELCOME TO
MANGALMAY WORLD

CHAIRMAN'S MESSAGE

I am buoyed to see that over the years, Mangalmay Group of Institutions have attained success in leap and bounds in the field of technical and management education. Ever since the inception of the institute, it has been my main focus to give highest priority to the research, innovation and pursue excellence in teaching and learning process for the benefit to the students which of course is sine-qua-non to every higher educational institute. I hereby wish to extend all gratitude to the entire teaching fraternity of the institute who raised confidence upon me and stood by my side to take to the institute to the new heights with their support and endeavor. Nevertheless, the efforts of the teaching family brought NAAC to one of the group institutes which symbolizes itself for having taken the first step towards excellence.

Last year the institute have signed few collaboration agreements with extremely reputed industrial houses and academic institutions as well. This initiative has added additional strength in our academic ambiance and created a charge to chase excellence whole heartedly.

I am delighted to see that a team of dedicated and experienced faculty members are toiling hard to take the instituteto the next level to be at par with the other top institutions. I express all my wishes to them for their best efforts. I am also very buoyed to see the state- of-the-art campus infrastructure with modern teaching and research facilities adding value in teaching learning in line with the vision and mission of the institute. It is all the more satisfying to see the institute offers career-oriented courses matching the requirements of the industry and society at large at every stage.

I welcome you in the institute and assure you best professional career suitable to your skills and ambitions.

Sh. Atul Mangal

ABOUT THE MIET

Mangalmay Institute of Engineering & Technology (MIET) offers four-year full-time B. Tech programme in Computer Science Engineering (CSE). Under its aegis, there are predominantly two programmes which are as under:

CSE - Artificial Intelligence (AI) and CSE - Data Science (DS)

Both the programmes are duly approved by All India Council for Technical Education (AICTE), Ministry of Ministry of Education, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

Though the course structure and syllabus of both the programmes are designed and structured by AKTU – Lucknow (UP) yet MIET follows a well proven diversified pedagogy of sharing knowledge with the students. MIET is enriched with experienced, dedicated, and knowledgeable faculty members who are always ready to toil hard to the benefits of the students all the time. The institute has state of the art infrastructure with an excellent facility to create a most befitting ambiance of teaching and learning. MIET provides the best platform for the students to excel knowledge in respective domain of Computer Science & Engineering. The institute in its endeavor to follow the norms of NEP 2020 and offer multidisciplinary education at the most possible extent. The institute allows the students to select subjects which they like to

study apart from the core subjects to fulfill the aforementioned norms of NEP 2020. They can even select subjects from different disciplines as per the curriculum provided by the university. Over the years, MIET has been adjudged as one of the best and excellent innovation centers to prove creativity to the benefits of faculty members and students as well. The MIET imparts world class training and research and also promotes active industry-academia collaboration by identifying areas of interest of the students. Thereafter, initiatives are taken to take part in sponsored research projects and consultancy services. The MIET has the collaboration with IBM, IIT Kanpur, Future-Zen group, ICT Academy, UiPath, etc. The curriculum connects pertaining to different areas integrates engineering, mathematics and science with humanities and entrepreneurship as well as focuses on building a range of life skills essential for a successful career.

The MIET follows Dr. A.P.J. Abdul Kalam Technical University, Lucknow based curriculum with an innovative approach enabling students to enjoy freedom to choose from various options available and explore their talent to fulfill their professional ambitions. The MIET organizes regular interaction with the industry and provides specially designed courses, modules, conducted workshops, seminars, field projects, internships, and educational tours for the benefit of the students. The MIET uses research driven education system to teach the students.

HIGHLIGHTS

MIET Highlights:
- Among the best engineering colleges in the DELHI/NCR Region.
- The Industry Oriented Program has been designed so that students will begin to feel and think like engineers on day one and that caters to the needs of Industry 4.0
- Academic and research excellence through highly qualified and experienced faculty.
- Regular Industry Interaction through Industrial Visits, Workshop, Seminar, Guest Lectures and Conferences.
- Campus Placement & Corporate Training activities towards development of employability skills and Business Awareness.
- Bridging the gap between Industry and Academia via conducting regular sessions by Industry experts.
- Opportunity to earn professional skills certificates provided by industry partner IBM, IIT Kanpur, Future-Zen group, Farelabs, ICT Academy and UiPath etc.

UNDERGRADUATE PROGRAMS:

B. Tech in Computer Science & Engineering

B. Tech in Computer Science & Engineering with specialization in Artificial Intelligence (CSE-AI)

B. Tech in Computer Science & Engineering with specialization in Data Science (CSE-DS)

B. Tech: - Lateral Entry - 2nd Year (All Branches): Mentioned above

Eligibility:

The candidate must have passed (without grace) Intermediate (10+2 Level) Examination or its equivalent from any Recognized Board, securing minimum 60% marks in aggregate in the required subjects with a combination of two Compulsory Subjects- Physics & Mathematics and one optional subject of Chemistry/Biotechnology/Biology and UPSEE/JEE Mains Qualified.

Course Fee :

Fees Type	1st Year	2nd Year	3rd Year	4th Year
Course Fees	Rs. 75, 500/-	Rs. 75, 500/-	Rs. 75, 500/-	Rs.75,500/-
Other Charges	Rs. 44, 500/-	Rs. 44, 500/-	Rs. 44, 500/-	Rs.44,500/-
Total	**Rs. 1, 20, 000/-**	**Rs. 1, 20, 000/-**	**Rs. 1, 20, 000/-**	**Rs.1,20,000/-**

Examination fee to be paid separately as per University Norms   * Hostel Charges (Optional)
2 Seater: 95,000/- per annum
3 Seater: 85,000/- per annum

B.Tech. - CSE

The 4-year B.Tech. CSE Programmes in Computer Engineering, is offered by the Department of Computer Science and Engineering. It focuses on Software engineering, algorithm analysis & design, operating systems, computer graphics, database and information systems engineering, and networking technologies. High Performance Computing, Computer Animation and Gaming, Machine Learning and Data Analytics, Information and Cyber Security, Software Engineering and IoT are just a few of the cutting-edge technologies that the department exposes to our students.

Major highlights
- Young, enthusiastic, and committed faculty, the majority is with highest qualification as Ph.D.
- More than 100 projects of computer engineering, such as machine learning, data mining, cloud computing and IoT, have come from the department in past few years.

CSE – DS

This programme is a 4-year undergraduate programme in Computer Science Engineering with a specialization in Data Science. The aim is to understand the fundamental concepts of Computer Science Engineering with specialized engineering knowledge in the areas of Data Science. It will develop the ability to build and assess data-based models and will execute statistical analyses with professional statistical software.

CSE – AI

This programme is a 4-year undergraduate programme in Computer Science and Engineering with a specialization in Artificial Intelligence (AI). It provides students with a sound knowledge of Artificial Intelligence principles and applications in scientific and engineering domains with an ability to analyse complex engineering problems and generate solutions through AI. students will also get to know how to apply appropriate techniques and modern engineering hardware and software tools for the design and integration of computer systems and related technologies, also to engage in lifelong learning for the advancement of technology and its adaptation in multi-disciplinary environments.

B.Tech. - Lateral Entry- 2nd year (All Branches)
Mentioned above

FUTURISTIC LEARNING

WHY B.TECH CSE FROM MANGALMAY ?

With a quality combination of world-class faculty, state of art infrastructure, industry-relevant curriculum, academic collaborations, internships, and placements, the B.Tech. course has led its way to make Mangalmay Institute of Engineering & Technology the best college for a B.Tech degree. A student will be able to work in multi disciplinary domains, formulate and solve engineering problems, design and evaluate solutions, algorithms, and protocols after successfully finishing the course. The syllabus has a strong focus on digital transformation technologies that help students to develop their understanding of arithmetic and algorithms. The courses run by the Department use a mixed techniques of interactive lectures, tutorials, laboratory work, guided case studies, literature surveys and project work that require teamwork, critical and creative thinking. Department also supports Research and Development activities for students. Department promotes students to work on Innovative ideas through various events like ideathon/hackathon etc.

INDUSTRY ORIENTED INNOVATION LABS & TRAINING PROGRAMME:

- IOT Internet of Things
- BIG DATA
- NETWORKING LAB : CCNA & CCNP
- CLOUD COMPUTING
- ARTIFICIAL INTELLIGENCE
- CYBER SECURITY & ETHICAL HACKING
- PHP

I belong to the wonderful family of MANGALMAY College. Supportive seniors and faculty, beautiful campus, quality education and amazing placement cell providing enormous no of opportunities for placement is the hallmark of this college. The growth I have seen in myself due to the help of the CRD Department is invaluable. It taught me things far beyond bookish knowledge and helped me broaden my horizons. The professors here are all experts in their respective fields and as such are able to provide excellent technical knowledge to the students. The classes are very interactive and faculties ensure that every student understands what are being taught before proceeding. Thanks to the entire Mangalmay team.

Our Values
A = Agile- we strive towards Developing a leadership for future with agility to outperform any task.
S = Socially Sensitive professional who looks at societal problems with a perspective of offering solutions to it.
P = Participative in the process of societal upliftment, development and nation building
I = Independence (Atma Nirbhar) in developing self-reliant India and mindset
R = Responsible of our actions and takes the responsibility of giving it back to society.
E = Entrepreneur having vision to offer solution, support and enabling an ecosystem of atma nirbhar.

Institution's Innovation Council (Ministry of Education Initiative)

Initiative of Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)

• **To systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs).**
• **The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas while they are in formative years.**

MIC has envisioned creation of 'instutution's Innovation Council (IIcs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multidinous modes leading to an innovation promotion eco-system in these campuses.
