College Code: 786

discussed the functioning of the company, highlighting how different departments work together to achieve their goals.

Office Tour with Ms. Shripriya (Head HR)

Ms. Shripriya, a key team member at Testbook, guided the students through the office, explaining various aspects of the company's operations. She provided insights into the different departments, including content creation, technology, marketing, and customer support. This helped students understand the collaborative environment and workflow within the company.

Q&A Session with Mr. Balram Dhakar (Partnerships Manager):

led a discussion with key professionals from different departments. Students got the chance to ask questions about career paths, industry challenges, and the future of EdTech.

The visit concluded with a feedback session where students shared their experiences and learnings. The Testbook team also provided valuable advice for students aspiring to work in the EdTech industry.

Outcome

The industrial visit to Testbook Edu Solutions Pvt. Ltd. was highly informative and beneficial for the students. Key takeaways include:

Understanding of EdTech Operations:

Students gained a comprehensive understanding of the operational aspects of an EdTech company, including content creation, technology integration, and customer engagement.

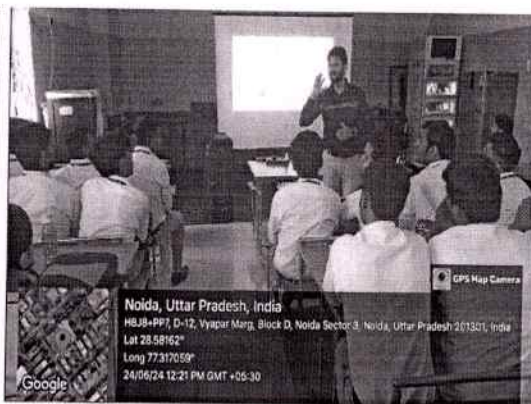

Technological Insights:

Exposure to cutting-edge technologies such as AI, machine learning, and data analytics in the education sector.

Career Guidance:

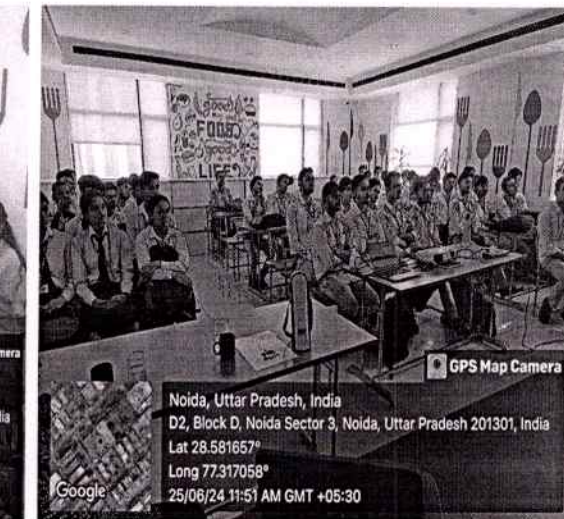

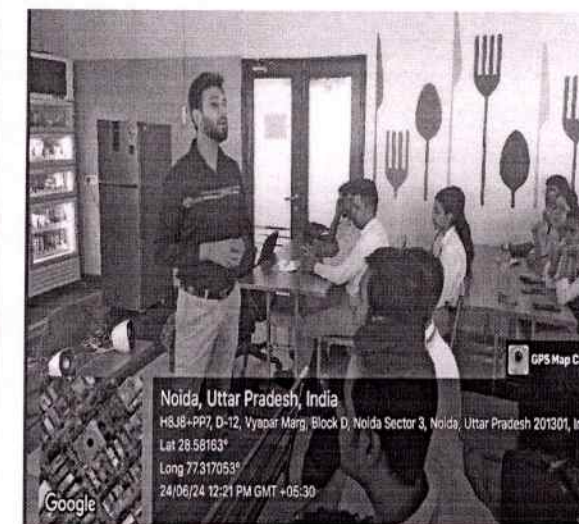

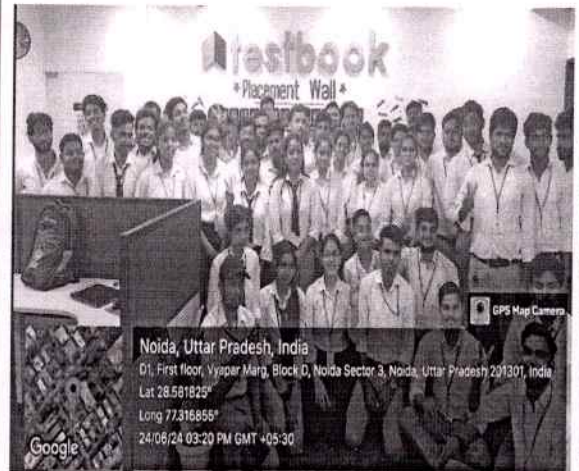

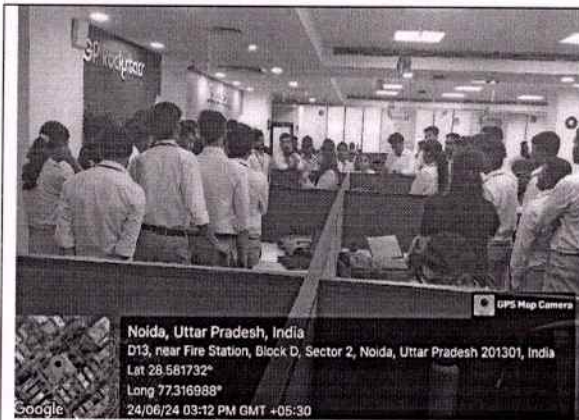

Insights into various career opportunities within the EdTech industry and the skills required to succeed.
