MIET/EVENT/2024-25/21

Date: 12th August 2024

NOTICE

This is to inform all the faculty members and students that the **Student Welfare Committee** is going to organize a 3-days workshop on “**Emerging Technologies**” in collaboration with **Infosys Springboard Maker Lab on Wheels** from date 27-08-2024 to 29-08-2024. All coordinators will register the students for workshop day wise and submit the names to Mr. Anuj Kumar (SPOC).

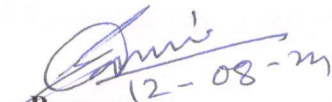

Details of the events are as follows:

SPOC: Mr. Anuj Kumar

Venue: MIET Campus near Workshop Practice Lab

Resource Person: Trainer from Infosys

Time: 9:30 A.M. onwards

Report	
Academic Year	2024-2025
Name of Activity	"Workshop on emerging Technologies" By Infosys Springboard Maker Lab on Wheels
Date of Activity	27 th August, 2024 - 29 th August, 2024
Organized by	Student Welfare Committee -MIET
Beneficiary	180 Students
Resource Person	Mr. Rishi Kashyap, Robotics Trainee, Infosys Pvt.
Objective	Objective of the "Workshop on emerging Technologies" by Infosys Springboard Maker Lab on Wheels Infosys Springboard Maker Lab on Wheels was: ❖ To provide advanced STEM (Science, Technology, Engineering, and Math) education directly to final-year students at Mangalmai Institute of Engineering and Technology. ❖ To help close the digital gap by giving students practical, hands-on learning with new technology. ❖ To encourage students to think creatively and solve problems. ❖ To inspire students to consider careers in technology and engineering. ❖ To give students practical skills to prepare them for jobs in the tech industry.
Brief Report	The Students Welfare Committee of Mangalmai Institute of Engineering and Technology hosted the innovative Infosys Springboard Maker Lab on Wheels three days' workshop from August 27, 2024 till August 29, 2024. This unique event was part of Infosys's broader effort to democratize access to quality STEM education across India, particularly targeting institutions in remote and underserved areas. The Maker Lab on Wheels, a mobile STEM lab equipped with the latest digital tools and kits, was set up on campus, providing students with a unique opportunity to engage with cutting-edge technology. Under the guidance of Mr. Rishi Kashyap, a Robotics Trainee from Infosys Pvt., students were introduced to various aspects of robotics, programming with Raspberry Pi, and hands-on STEM experiments. The interactive sessions were designed to enhance the students' understanding of practical technology applications, with a focus on developing problem-solving and design thinking skills.

As,
31/8/24

Students were divided into groups and rotated through different stations inside the mobile lab, where they worked on various projects using STEM kits. These projects not only enhanced their technical skills but also encouraged creativity and collaboration.

Date	Day	Participant
27-08-2024	Day-1	Students of 1st Year, Section A and C
28-08-2024	Day-2	Students of 1st Year, Section A and C
29-08-2024	Day-3	Students of 4 th Year

OUTCOME

- The workshop significantly improved students' practical understanding of robotics, programming, and other STEM concepts, equipping them with valuable technical skills.
- The hands-on approach and interactive nature of the workshop increased student engagement and sparked a deeper interest in STEM fields, motivating many to consider careers in technology and innovation.
- The initiative successfully bridged the digital divide by providing students with access to advanced educational resources that are typically unavailable in traditional classroom settings.
- The exposure to real-world applications of technology inspired students to think creatively and apply their learning to solve complex problems, fostering a culture of innovation.
