Report	
Academic Year	2023– 2024
Name of Activity	Industrial Visit –B.tech 1 st year
Date of Activity	10/10/2023 to 13/10/2023
Organized by	Mangalmay Institute of Engineering and Technology Greater Noida
Objective	• Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. • It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms. • Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment.
Brief Report	Mangalmay Institute of Engineering & Technology has arranged a four-day industrial visit of B.tech IST year students session 2023-2024, from October 10th to October 13th, in AppSquadz, Sector 63, Noida. The total number of students was 240, accompanied by 8 professors. The trip began on October 10, 2023, at 9:30. Everyone reached the industry campus around 10:00 a.m. 3-hour session was conducted by experts, a 30-minute break was given to students. Post-lunch, the session was again started, followed by an industrial premises visit to know the working environment of the software industry. About the company AppSquadz Software Pvt. Ltd. was established in 2014 in Noida. AppSquadz has a band of 200+ highly qualified and trained professionals championing the global cause of digitization and digitalization. We are proud to have delivered 850+ projects across 30+ countries in the diverse fields of education, health care, banking, hospitality, entertainment, e-Commerce, travel, etc. As a leading Mobile & Web App Development Company, our professional expertise lies in IoT, Blockchain, web app development, AR/VR, cross-platform. Our dedication and commitment to 100% client satisfaction is the chief reason for our global presence. With 15+ years of experience, we are here to deliver high-end advanced services to our clients. Our mixed team of developers, testers, marketers, and designers are consistent in the pursuit of meaningful goals of customer satisfaction and punctuality in the delivery of projects.

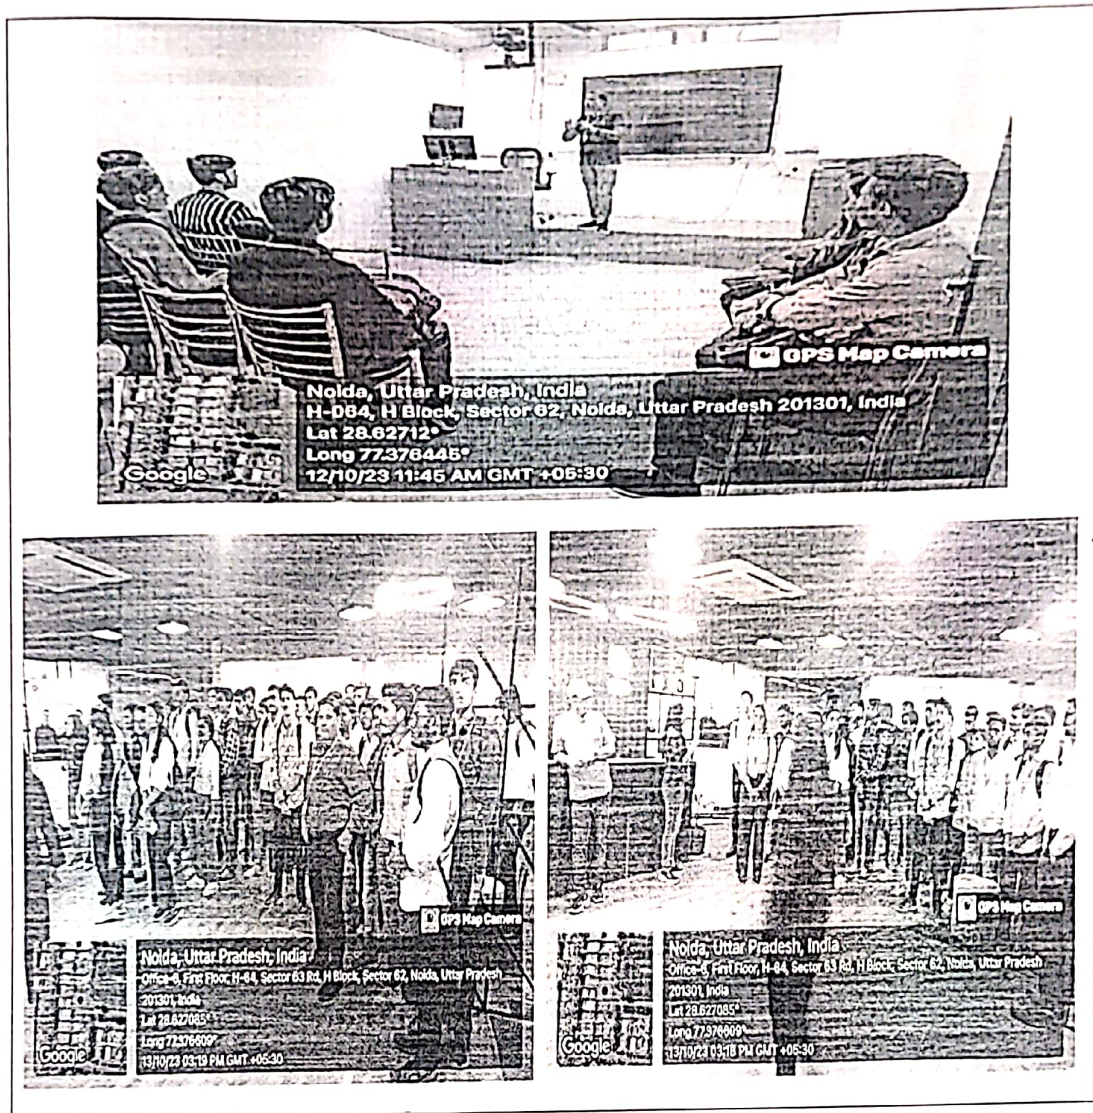

Outcome

Industrial visit is considered as one of the tactical methods of teaching. They also provide students a good opportunity to gain full awareness about industrial practices. Industrial visit is very helpful in our future practical life & bring a positive change in our thinking & practical behaviour regarding Education & specializing our technical skills.

- Got practical knowledge about the cloud technology.
- Students are now able to understand and explain the core concepts of the cloud computing paradigm.
- Now they are able to analyze various cloud programming models.
