Faculty Coordinators	CRD (For the visit on 17th.oct.2023)
	Dr. P.P Singh and Dr. Manoj (For the visit on 18th.oct.2023)
Objective	<ul> <li>To establish a link between the theory taught in a classroom and actualpractical concepts.</li> <li>To be aware of the working of industry in a practical way.</li> <li>To contribute to the holistic learning development of students.</li> </ul>
	MIET organized an Industrial Visit to Coco-Cola for the students of B.Tech Ist year on 17 <sup>th</sup> October, 2023 and some selected students of BTech 2 <sup>nd</sup> Year on 18 <sup>th</sup> October 2023 with an aim to enhance practical knowledge in students and to demonstrate the working of industry. The visit was scheduled in the afternoon at 2:00 pm and students reached at its destination at 2:30 pm.
Brief Report	Resource person of the company welcomed all the students who came for industrial visit. A briefing about the company was given by them and thereafter the students moved to the conference hall in which a virtual demonstration was played on screen highlighting the setting up and working of the company. Various knowledgeable inputs were shared to the students about the company and its working. Thereafter, a Q&A round was played with the students to knowhow carefully they have watched the presentation.
•	After the virtual presentation, students were taken to the main processing area 'THE VAULT' where machines were sophisticatedly handled. The resource person explained each and every processing in a very well manner. After the visit students were again taken to the main hall area where they enjoyed the softdrinks. At the end, all the resource persons who explained each and every step of the processing in a well descriptive manner and the students were amazed to see such a big and organized plant and machinery setup. ### showed them around.

The excited students were then taken to the old and new bottles collection area and later to the studio cum gallery for sharing some interesting facts, showing some demonstrations, recognitions, products and initiatives under the brand.

Thereafter, some games, fun activities and some more Q&A rounds were conducted. The students elicked interesting photographs in the studio and later they were again taken to the main hall area where they enjoyed freshly made free of cost soft drinks.

In totality, the industrial visit proved as a complete package of learning for students and they returned from the 'Happiness Factory of Coca Cola' with a great experience of good productive knowledge and happy faces.

#### Outcome

- Students witnessed life events and activities in a business space through industrial visits.
- Students were abled to combine theoretical knowledge with practical experiences.
- It encourages active learning and participation in learning.
- Students become attentive and vigilant during industrial visits.
